Petition No. 3998, dated 31st March 1908

Slip A

One Mohomedi Begum, daughter of Khatma Begum, Mohamed Shaw Bazaar, Arcot, first petitioned the Genl & Rev: Secretariat, prayins for the continuance of the all.ce of Rs 9-10-3 per mensem granted when mother. As the said all.ce was only a life-grant, she was given an endorsement from that Secretariat that the grant lapsed on her mother's death and that Govt saw no sufficient reason to revive it in her favor.

The petitioner then applied to that office for the grant of a compassionate allowance from the "widows' fund", on the ground that she was very old and

and weak and destitute. Thinking that the 'Widow's Fund' and the Prince Gulam Mohamed's Charity Fund were one and the same, the petition was forwarded to this office for disposal. The President of that Charity Fund having thereupon been addressed in the matter, that Officer stated that the rules of the Charity Fund laid down as a condition of the grant of a stipend that the recipient should be a resident of Mysore or Seringapatam and that as the petitioner was apparently residing at Arcot, she was not entitled to the benefit of the Charity. Slip B Slip C

An endorsement was accordingly issued to the petitioner. Then she first petitioned stating that she would remove to either of the above named 2 places but the President reported that it was not possible to hold out definite promise of any sort to the petr. especially when the number of poor and deserving Mohomedans in Mysore was large, and when there used to be a rush of applicants as soon as vacancies occurred. The petitioner was thereupon told that she might renew her application after she had actually changed her residence to Mysore or Seringapatam, when her case would receive consideration at the hands of the Charity Fund Committee. She now finally states that her present health does not admit of travelling to and residing in Mysore and submits the certificate of the local Hospital Assistant, to that effect She further states that she is a very near relative of Prince Gulam mohomed, the founder of the charity and as such next her claims on the charity are superior to the poor and deserving residents of Mysore, and prays that in consideration of her old age and destitute condition, her case may be treated as an exception, and she may be granted some stipend from the Prince Gulam Mohamed's Charity Fund.

Most Respected Sir,

I humbly beg to submit that on my presenting a petition for the continuance in my name of the pension enjoyed by my deceased mother at least on compassionate grounds, your honor was pleased in No. Jl 8145 dated 29.4.07. to intimate to me that my petition has been transferred to the Secretary Inuzrai department for disposal.

Subsequently I made two applications to the Inuzrai Secretary on 8.6.07. and 1.8.07. but no definite orders on the subject have been made.

I have been brought to bear innumerable difficulties for want of pecuniary aid and at times I am led to starve. I have been turned old and infirm.

I therefore pray your honor will be pleased to recommend my case for the favourable consideration of Government and obtain sanction for the continuance in my name of a compassionate allowance at least from the widow fund in existence.

For which act of kindness I shall feel ever grateful.

Most Respected Sir,

I beg to state that I submitted a petition on 4. 11. 1907 requesting to sanction the compassionate allowance in my name and furnishing assurance that I would remove myself to the dominions of H. H the Maharajah but, to my misfortune no indulgence has been extended.

As I have been made to suffer innumerable difficulties for the lack of such aid, I humbly pray that early steps be taken to save my soul from becoming a prey to the pangs of daily starvation.

Most Respected Sir,

In acknowledging the receipt of your honors Endorsement No: 2861. dated 18-12-07. with reference to my petition Registered No: 1979. dated 4.11.07. praying for a compassionate allowance for my maintenance, I beg to submit that I am the nearest of kin to Prince Gulam Mohamed eldest Son of Tippu Sultan. This fact is evident from the enclosed Geneological Table. My right over his charity fund is superior to that of the poor and other deserving resident Mohamedans in Mysore.

On the score of my close relationship with the Prince and his antecedents and on consideration of my present hapless condition without any evident earning member over me for my protection I request that my claim be disposed of as exceptional. Had I had the slightest source of income wherewith I can be maintained I would never have been dared to present repeated petitions and thus intrude in your honors precious moments.

I am extremely grateful

for the trouble your honor had undertaken to address the President of the Charity Fund on my behalf. The said President holds out no definite promise and under the circumstances if I change my residence and if no instant provision be made, my life will be extinct.

I am very old and infirm about 70. years old. In my present state of health I am quite unfit to travel. The enclosed certificate signed by the local Senior grade Hospital Assistant will corroborate my statement. Besides I presume that the climate of Mysore will never suit my constitution. It is very cold. It is very likely that I will become a prey to the merciless pangs of the deadly Plague.

Under these circumstances I respectfully pray your honor will be pleased to arrange with the President to transfer the amount to the Muzrai Department and the latter to remit the same to my address until my life, which, I am sure, will be very short.

For which act of kindness I shall feel ever grateful.

Sir

In reply to your letter no 2395 dated 20th November 1907 forwarding a petition no 1979 dated 7/11/07 from Mohomadi Begum of Arcot and enquiring whether there are any vacancies at present and if so the Committee would be agreeable to admit the petitioner to the Charity, I have the honor to state that there are no vacancies at present

Central Jail Press, Bangalore.—14-9-94.—3'727.

The Petitioner asks for a "compassionate allowance" It is doubtful whether she is aware that a monthly sum of 3 Rs is all that she can hope for from the Charity Fund, and whether this will be a sufficient inducement for her to change her residence from Arcot to Mysore or Seringapatam. It is naturally difficult in the name of the Committee to hold out a definite promise of any sort to her in this matter especially when the number of poor and deserving resident Mohomedans in Mysore is always large and there is generally a rush of applicants as soon as any vacancy occurs. It seems best therefore to inform petitioner that she may if she wishes renew her application after she has changed her residence, when her case will receive fair consideration at the hands of the Committee.

The petition is returned.
